ALWAYS GAME ALWAYS PILOTE

PILOTE

WHEREVER, WHENEVER

When you get behind your Pilote's steering wheel, you are always ready to hit the road. Anywhere.
Anytime. No longer the crammed hotels and meticulously scheduled itineraries.

Head off to your favourite locations. Head off to explore new destinations. Head off to find freedom. The freedom to change your mind and travel wherever your heart leads you, to plan nothing or everything, to cut your trip short or to extend it and savour some more happiness.

Turn your life into a wonderful adventure. On every journey, there is one thing you can count on to be reliable and enjoyable: returning to your Pilote at the end of the day.
We continue to be driven by curiosity and innovation, which is why we are reinventing our vehicles' design.
Organic materials combine with minimalist spaces to create even more comfortable, functional, elegant models.

You are entirely at liberty to decide where you want to go and what you would like to experience.
We are ready for new adventures. Are you?

ALWAYS GAME, ALWAYS PILOTE.

10 10 reasons for buying a Pilote panel van

12 You are unique, so is your panel van: your configuration

DOLCE VITA ON COSTA BRAVA

HIT THE ROAD
TAKE A BREAK FROM ROUTINE

Marie and Claire explore Costa Brava far from the crowded beaches and restaurants. After nine hours of driving, they finally arrive in a region that promises a holiday full of surprises off the beaten track. Aboard their their V600G panel van, they can take any detour they wish. They have already spotted a private little inlet where they can enjoy a quick dip.

FEATURES

- Large garage bed, 150 cm wide.
- Kitchen with separated storage and inbuilt waste bin.
- Comfortable lounge for 4 people. A bench seat made with high-density foam, swivel cab seats and a table extension.

CHILLIN' IN THE SOUTH

The very next morning, having just eaten breakfast, they immediately head off to explore the market in Llafranc, a picturesque village that just has to be seen.

They buy delicious fresh seasonal products at the market, which they can easily cook in their panel van.

EMBRACE HAPPINESS IN HOLLAND

THE GOOD LIFE

Every spring, Connie and Phil head for Holland.

They both love to enjoy art and history by wandering along canals, medieval lanes and flower-filled landscapes on foot or by bike. Magical!

SHARING THE JOY

They chose this fully equipped panel van for its versatile spaces and numerous storage options. When they take their grandchildren on their adventures, they have somewhere for them to sleep and to store all their belongings.

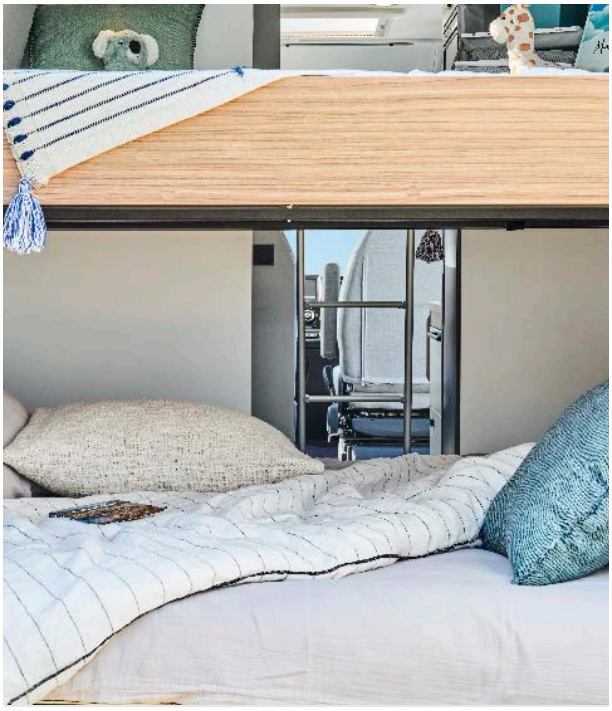
FEATURES

- Large twin beds with bed insert. Bultex mattress and Froli travel spring base for an exceptional bed.
- A new storage area with 100 litres of additional storage space and the ability to raise the twin beds for even more space.
- Very comfortable, bright lounge for 4 people. Easily accessible USB and 240 V outlets. The lounge offers plenty of storage.

CATCH THE WAVE IN ALBANIA

FAMILY THRILLS

Diego and his partner Charlotte are joined for the first time by his step son lewis. So he would like to ensure some unique moments. They are driving their V630S to Albania and its best surfing spots. All three of them, with their surfboards, rolling in the waves of the Adriatic, opposite Italy... For sure, this will be an unforgettable experience.



EVERYONE HAS THEIR OWN SPACE TO RELAX

After a first surfing session near Vlora, Charlotte is grateful to be able to unwind under the shower and take her time to rinse her suit. Meanwhile, Lewis, stretched out on his own bunk, lets his thoughts run back to the salt-water excitement he has just experienced…

FEATURES

- Bunk beds to sleep 4 in absolute comfort.
- A storage area that can be raised to store bikes.
- Bedroom suitcase system storage for easily preparing your things.
- A large bathroom for unrivalled comfort with wide opening door.

PANEL VANS TO GO WHEREVER YOU GO

Here at Pilote, we have been designing and manufacturing our motorhomes and panel vans for over 60 years, all the while imagining ourselves heading off on journeys with you aboard your Pilote. This is why each of the 800 people working for our group cultivates the high standards, focus on quality, and respect for customers passed from generation to generation.

Innovation and experience, industrial processes and artisanal methods, and creativity and reliability can be found inside your Pilote panel van. Hit the road with peace of mind, travel further and enjoy more freedom: you'll always have a good partner.

Note: This brochure shows the information available at the time of publication and does not constitute a contractually binding document. Despite the care taken in preparing this document, typographical errors remain possible. We reserve the right to modify fittings and improve products in the current year's models without prior notice. Some vehicles are shown with special or optional features which are listed in the corresponding price lists and are available at additional cost. Style items and decoration used to embellish the visual presentation of this catalogue are not included in the actual vehicle nor in the delivery service. The available payload is the difference between the Maximum Technically Permissible Laden Mass (MTPLM) and the Mass in Running Order (MRO). The latter includes the vehicle, its bodywork, furniture, standard fittings, 90% full fuel tank, full gas cylinder and driving capacity fresh water tank, empty waste water tanks, required fluids and a driver (75 kg). Ensure that the maximum weight permitted is never exceeded (total and per axle). Important: installed optional fittings and accessories are not included in the motorhome's MRO. Consequently, they will systematically reduce the available payload and potentially reduce the number of driving seats. Contact your dealer, who will be happy to provide you with an accurate definition of the models available in each country. Before placing your order, please contact a dealer for information about the current product and collection status. Information about the vehicle's delivery, appearance, performance, dimensions and mass correspond to the information known at the time of printing. Those details and tolerances comply with European Regulations (Regulation (EU) 1230/2012), however they are subject to change up until the time of vehicle purchase or delivery. They may change throughout the course of the year. All of the photographs were taken in compliance with local regulations, whether on the road, in private areas or inside campsites.
